SOUTHAMPTON/ BOULEVARD OAKS PATROL SERVICE

The Patrol service was created exclusively by and for the protection of the roughly 2,000 families who live in Boulevard Oaks, Southampton, and the Southampton Extension. The Patrol employs full-time, off-duty HPD officers. Patrol operates 24/7/365, constantly patrolling throughout our neighborhoods and never more than a few minutes away. The Patrol will respond immediately if you call.

The Patrol operates on funds collected through subscriptions. It therefore depends for its health on broad homeowner support. The annual cost is $500/year. Subscription payments (made annually or quarterly) can be made by check or credit card to the Patrol using the form below and the enclosed return envelope OR they can be made online at https://sbps.memberclicks.net.

When You Need Police Assistance

For quickest response, call the Patrol at 713-825-5555. In life and death circumstances, call 911 - the Patrol will hear HPD dispatch's call. Our officers handle everything from investigating suspicious activity, prowlers, scam artists, nuisances etc., to calls about serious crimes. If needed they can escalate to full HPD backup.

Additional Benefits of the Patrol

- Your Alarm Goes Off: Set it to call the Patrol first (subscribers only)
  - Quicker response than HPD
  - Avoid "false alarm" fines, and possible cancellation

- When Leaving Town: Let the Patrol know (subscribers only)
  - They will keep an extra watch on your home
  - Give the Patrol contact info for yourself and/or a local person, should an issue arise
